

HEALTH AND PEACE TO ALL

By making every one capable

Path breaking revolutionary Energy Application & Relay Programme

Quantum Life System – Swami Hardas Life System (SHLS)

- *This programme is for supporting the aim 'Health and Peace to all' of WHO, UNO, & international organizations; and Govt. of all the countries. This Aim can be achieved by making every one capable to solve their own and others problems of Health, Peace and all problems of and concerning actual life with out medicine, money and side effect by Swami Hardas Life System (SHLS).*

- **Period** : **from** - 9th September 2016, Tuesday - 9.00 am. } 32 days
To - 10th October 2016, Monday - 10.00 am. }

On the eve of '**International Peace Day**' 21st September 2016, Wednesday.

- **Aim** : '**Health & Peace to all**' by making every one capable in accordance with the Sustainable Development Goal (SDG - 3) "**to ensure healthy lives and promote well being of persons of all ages.**"

Health parameters -

- 1) Reducing number of diseases and sufferers of all problems particularly **Anemia**, B.P., Sugar, child mortality / malnutrition and maternal mortality.....
- 2) Increasing immunity and efficiencies.
- 3) Combating health harming factors of all types.

Peace parameters - Performing exercises promoting well being to establish peace.

- 1) Reduce conflicts / problem and bad habits (addictions) in actual life.
- 2) Increasing productivity and efficiency.
- 3) Combating peace harming factors of all types.

- *This is made possible by the energy principle of bringing body to natural, ideal and positive state by energy conversion → transfer → correction of disturbed energy field there by changing the chemistry of the disturbed body of human, animal, plants etc. of all living being and inanimate, all the subjects of human existence. This entirely a new concept / Invention in the world for solving all the problems pertaining to human existence.*

- This will result in achieving UN, SDG's much before time with huge saving of funds and thus minimising sufferings and savings of lives of millions.

- **Achievements** : The application of this method (SHLS) is resulted into producing astonishing results what we are experiencing nearly two decades.

- We request to all the concern to carry out necessary checks and certify for the benefit of society.

- We have many limitations and therefor we are able to check few cases only.

Specialities of the system (SHLS) :

- 1) Medicines, chemicals, equipments etc, are not used in this methodology.
- 2) Hence, no side effects, by-products, it is totally safe and harmless.
- 3) Evaluation on the application of SHLS, methods scientific, equipments, gadgets are used to find out achievements.

Important points to note that :

- 1) *The whole idea was conceived for making every one capable to solve self and other problems of pertaining to health & peace and all factors necessary for making life glorious.*
- 2) *This is our sincere initiative done since last 18 years in house and in that 5 yrs. 6 months with various government organisations. These all we are performing in India and abroad without financial support either from government or semi government.*

- **Coverage** : This programme covers for entire world with particular attention to India and underdeveloped countries.

- However, states of Maharashtra and Odisha will be given preference.

- **Admission** : Totally free for all philanthropic service.

This programme is guided by the following methodologies.

- *An energy management / balancing by human concern methods is used for achieving desired results.*
- *This has been made possible for the first time in the world.*
- *The results achieved by the system may not necessary conform to the classical laws of physics but they tend to conform with laws of Quantum Physics.*
- *The results achieved on application of SHLS are totally unbelievable and astonishing, some of which are published in our scientific bulletin published every month '**Astonishing Facts and Figures**' and also other publications.*

How to take benefit :

- 1) Those who have any problem / problems regarding health & peace or any other problems affecting health and peace — do energy relay exercise, the method of which is enclosed herewith.
- 2) Problem / problems which has covered big area and many persons, animals, plants, etc.
- Concerning authorities should contact the organisation in writing.

Note : This is an extension programme of Energy Application and Relay programme **Quantum Life System**.

**From 21st August to 31st August 2016 - 10 days programme
on the eve of Swami Hardasji's birthday.**

Aim - To solve nearly 1 crore (10millions) of problems/cases.

- 1) Different types of problems of needies / sufferers.
- 2) Number of cases of persons animals etc. affected by any problem of any kind.

THE BEST INVENTION OF THE WORLD - SWAMI HARDAS LIFE SYSTEM

Swami Hardas Life System (SHLS) is a revolutionary lab to field application of the Laws of Quantum Physics on mega scale for the benefit of mankind. It is an Energy Management / Balancing System, which brings body to natural, ideal and positive state by solving all the problems of human existence, for which no machines, chemicals, equipments etc. are used. This has made possible for the first time in the world. The results achieved by the system may not necessarily conform to the classical laws of physics, but they tend to conform with the laws of quantum physics.

Since the world around us is interconnected by an energy matrix, which is able to connect with human consciousness, the SHLS are able to bring appropriate changes as intended in the level ground water, ground water contamination, air pollution, level of haemoglobin, fertility of soil, various ailments of human and animals, crop productivity etc and all the subjects of human existence etc. By no existing system, method or technology can these above achievements be done specially altering the chemical composition of water in situ.

This has been practically proved from our in house experiments for last 18 years after the invention including projects conducted with various government agencies in the last 6 years.

SHLS has many specialities - such as -

- 1) **Simplest** - Every person with common understanding capability would be able to learn and practice in a couple of hours for solving own and others problems to make life healthy, peaceful, progressive without money and medicine.
- 2) **Coverage** - (1) All subjects of human existence like - health, peace, development, agriculture, livestock, air, soil, water, temperature, rain, wind and all.
(2) Nearly 100% population of any area, nation, world on support required for the same.
- 3) **Requirements** - Nil - hence can be used any where any time.
- 4) **Multiple use** - SHLS may be used for single problem, however, multiple problems may be solved. It is a system of correction of energy field of the body. It corrects the disturbed energy field resulting in to solving all the problems.
- 5) **Energy Relay** - SHLS can relay energy to any place/ person/ area or all for solving problems.
- 6) **Affordability** - SHLS training, guidance are totally free of cost, so that even the poorest person can afford and practice to solve self and others problems of life.
- 7) **Root Cause** - SHLS can reach up to root cause and hence, problems are solved quickly.
- 8) **Safety** - It is the safest system. No side effects, no by-products even if used incorrect way, no problem, it is totally harmless.
- 9) **SHLS** - (1) Can solve all the problems of life of human, animals, plants and all.
(2) Can make nature favorable for them all.

- There by life of all is made in world glorious in situ.
- In short - SHLS is almost zero budget system, expenses involved are minimal fulfilling the objects of government and people of the area/ colony/ nation/ world, saving sufferings of millions of people.
